Subject: Discussion of issues for June 20th meeting need to be in two different meetings

To the Planning Commission Members:

You might justly argue that whatever there was to salvage in Belle Haven is not there any more. Thanks to your, and the Council members willingness to serve on a silver platter anything and everything to the big-monied developers.

If you haven't tried to drive down Willow Road in the last year, I want to one of these days invite you to join me in doing so anytime between 7:30 and 10:00a.m, or between 3:30 and 7:30p.m.

Your collective inability to consider the negative impact that your shortsighted decisions have caused the residents of Belle Haven can only be explained by an unconditional loyalty to the ones with power and money.

There will always be willing developers to build and invest. But once you give the farm away, we are forever stuck with the damage their greed results in.

I am asking that you separate the meetings and give residents an opportunity to at least hear who will own our destiny in smaller doses.

The meeting on Monday June 20th should not include discussion of the Facebook take over of our neighborhood. Let's please at least give the appearance that you are willing to consider the common good by allowing for more discussion.
