Attend our First Community Workshop!

**Menlo Park Presbyterian
Church Social Hall
700 Santa Cruz Ave,
Menlo Park**

The City of Menlo Park is pleased to announce the start of the El Camino Real Corridor Study! This study will review potential **transportation and traffic safety improvements to El Camino Real** between Sand Hill Road and Encinal Avenue.

The City is inviting the community, through a series of workshops, to provide ideas and feedback on how the El Camino Real, being a key roadway connecting cities throughout the Peninsula, can become a more safe and accommodating transportation resource for all users, including pedestrians and bicyclists.
