

## WHAT ARE YOUR LONG TERM PRIORITIES FOR THE CITY?

### How would you prioritize the following draft guiding principles?

A **guiding principle** is an overarching statement that describes the kind of place community members want Menlo Park to be. Guiding principles will be used as a compass for ConnectMenlo and will lead to General Plan goals, policies and programs. The following draft Guiding Principles are based on the collective input of the participants at the two workshops in September 2014.

Please rank (1 = highest) the principles in order of importance to you. If you would like to add a guiding principle that is not part of the list, please write it below and include it in your ranking.

1 **Citywide Equity**

*Menlo Park neighborhoods have equal access to services, affordable housing, open space, schools, and daily shopping, such as grocery stores and pharmacies, and they share both the benefits and impacts of local growth.*

2 **Corporate Contribution**

*Menlo Park leverages new development to create robust community benefits, including jobs, housing, educational opportunities, childcare, public open space, access to telecommunications, and alternative transportation amenities, especially for the Belle Haven neighborhood regarding development in the M2 Area.*

5 **Healthy Community**

*Menlo Park enforces codes and prioritizes improvements that promote safety and healthy living so that community members can walk or bike to fresh food, medical services, employment, recreational facilities, and other daily destinations.*

3 **Complete Commercial Corridors**

*Menlo Park's thoroughfares house community-focused businesses and mixed-use developments that conveniently serve adjacent neighborhoods, while respecting the character of those neighborhoods.*

4 **Multi-Modal Access**

*Menlo Park provides thoroughly-connected, safe and convenient transportation, including innovative options for people travelling by foot, bicycle, shuttle, bus, train and car.*

7 **Youth Support and Education Equality**

*All Menlo Park children and young adults have access to high-quality child care, education, meaningful employment opportunities, and useful training.*

9 **Sustainable Environmental Planning**

*Menlo Park supports regional collaborative efforts and uses best practices to address climate change, adapt to sea-level rise, and promote energy conservation and renewable energy.*

10 **Innovative Business Destination**

*Menlo Park embraces emerging technologies, local intelligence, and entrepreneurship to grow and attract successful companies.*

8 **Revitalized Dumbarton Rail Right-of-Way**

*Menlo Park encourages improved regional connections by utilizing the Dumbarton Rail Corridor for daily transportation of people into and out of Menlo Park.*

6 **Accessible Open Space and Recreation**

*Menlo Park provides safe and convenient access to local and regional open space, recreational facilities, trails and enhancements to wetlands and the Bay.*

## WHAT ARE YOUR LONG TERM PRIORITIES FOR THE CITY?

### How would you prioritize the following draft guiding principles?

A **guiding principle** is an overarching statement that describes the kind of place community members want Menlo Park to be. Guiding principles will be used as a compass for ConnectMenlo and will lead to General Plan goals, policies and programs. The following draft Guiding Principles are based on the collective input of the participants at the two workshops in September 2014.

Please rank (1 = highest) the principles in order of importance to you. If you would like to add a guiding principle that is not part of the list, please write it below and include it in your ranking.

8 **Citywide Equity**

*Menlo Park neighborhoods have equal access to services, affordable housing, open space, schools, and daily shopping, such as grocery stores and pharmacies, and they share both the benefits and impacts of local growth.*

1 **Corporate Contribution**

*Menlo Park leverages new development to create robust community benefits, including jobs, housing, educational opportunities, childcare, public open space, access to telecommunications, and alternative transportation amenities, especially for the Belle Haven neighborhood regarding development in the M2 Area.*

3/4 **Healthy Community**

*Menlo Park enforces codes and prioritizes improvements that promote safety and healthy living so that community members can walk or bike to fresh food, medical services, employment, recreational facilities, and other daily destinations.*

7 **Complete Commercial Corridors**

*Menlo Park's thoroughfares house community-focused businesses and mixed-use developments that conveniently serve adjacent neighborhoods, while respecting the character of those neighborhoods.*

2/4 **Multi-Modal Access**

*Menlo Park provides thoroughly-connected, safe and convenient transportation, including innovative options for people travelling by foot, bicycle, shuttle, bus, train and car.*

9 **Youth Support and Education Equality**

*All Menlo Park children and young adults have access to high-quality child care, education, meaningful employment opportunities, and useful training.*

4 **Sustainable Environmental Planning**

*Menlo Park supports regional collaborative efforts and uses best practices to address climate change, adapt to sea-level rise, and promote energy conservation and renewable energy.*

5 **Innovative Business Destination**

*Menlo Park embraces emerging technologies, local intelligence, and entrepreneurship to grow and attract successful companies.*

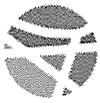

6 **Revitalized Dumbarton Rail Right-of-Way**

*Menlo Park encourages improved regional connections by utilizing the Dumbarton Rail Corridor for daily transportation of people into and out of Menlo Park.*

10 **Accessible Open Space and Recreation**

*Menlo Park provides safe and convenient access to local and regional open space, recreational facilities, trails and enhancements to wetlands and the Bay.*

## ¿CUÁLES SON SUS PRIORIDADES DE LARGO PLAZO PARA LA CIUDAD?

### ¿Cómo le diera usted prioridad a los siguientes Principios Guantes Primera Versión?

Un principio guante es una declaración dominante global el cual describe lo que los miembros de la comunidad quieren ver que sea Menlo Park. Principios guantes se usarán como pauta para ConnectMenlo el cual lo usará para dirigirlo a la meta del plan general, criterios y programas. Los siguientes Principios Guantes de Primera Versión están basados en la contribución colectiva de los que participaron en los dos talleres de Septiembre de 2014.

Por favor clasifique (con 1 el más alto) los principios en su orden de importancia. Si usted desea añadir un principio guante que no es parte de la lista, favor de escribirlo abajo y incluyalo dentro su clasificación.

#### 1 **Equidad de la Ciudad Entera**

Las vecindades de Menlo Park tienen acceso igual a servicios, vivienda de medios razonables, lugares abiertos, escuelas, y compras diarias así como tiendas de comestibles y farmacias el cual los dos se benefician de los impactos y aumento local.

#### 2 **Contribución Corporativo**

Menlo Park levanta urbanización nueva para crear beneficios robustos de comunidad, incluyendo nuevos trabajos, vivienda, oportunidades educativas, cuidado de niños, lugares abiertos, acceso a la telecomunicación, alternativas de transporte público, especialmente para la vecindad de Belle Haven en cuanto al desarrollo en el área de M2.

#### 3 **Comunidad Sana**

Menlo Park aplica códigos y da prioridad a mejoramientos que promueven seguridad y el vivir sano para que los miembros de la comunidad puedan caminar o montar sus bicicletas a lugares de comestibles, servicios médicos, empleo, facilidades de recreos, y otros lugares diarios.

#### 4 **Corredor Comercial Completo**

Las carreteras de Menlo Park contienen negocios enfocados en la comunidad y nueva urbanización de uso mixto que convenientemente sirven a las vecindades cercas y, a la misma vez, respetan el carácter de esas vecindades.

#### 5 **Acceso Multi-Modal**

Menlo Park provee transportación con conexiones meticulosas, seguras y convenientes, incluyendo opciones inovativos para la gente viajando a pie, por bicicletas, transbordador, autobus, tren o auto.

#### 6 **Apoyo para la Juventud e Igualdad Educativa**

Todos los niños y jovenes de Menlo Park tienen acceso a programas de cuidado de niños, educación, oportunidades significativas de empleo, y entranamiento provechoso.

#### 7 **Planificación Ambiental Sostenible**

Menlo Park apoya esfuerzos colaborativos regionales y usa los mejores modos para dirigirse a cambios ambientales, para adaptarse al crecimiento de la altura del océano, y para promover conservación de energía y energía renovable.

#### 8 **Destinación de Comercio Innovativo**

Menlo Park abraza tecnología emergente, inteligencia local y promueve la iniciativa impresarial, todo para hacer crecer y atraer compañías con éxito.

#### 9 **Derecho de Pasar Revitalizado del Dumbarton Tren de Rieles**

Menlo Park fomenta conexiones regionales mejoradas por medio de usar el Corredor de Tren de Dumbarton para la transportación diaria de gente entrando y saliendo de Menlo Park.

#### 10 **Lugares Abiertos y Recreos Accesible**

Menlo Park provee acceso seguro y conveniente para espacios abiertos regional y local, facilidades recreativas, caminos senderos y el intensificación de la zona acuosa y la Bahía.

## ConnectMenlo Paper Survey Comments Summary

- 1) I would like to see a safe place for my kids 8 and 2, can go where other kids are educated and respect the rules too. It would be a plus if it can be really cheap for Menlo Park residents. Pretty much for lower income families. Thank you!
- 2) Menlo Park has approved a lot since 20 years ago, but I know it can be better. For example, people need to clean up their yards, make it look nice. I know the city can help with that. Getting the street cleaner a couple of days in the week. We can also use more patrol cars in Menlo Park. That way the crime can go down. Maybe putting cameras on the streets. Showing the criminals that you cannot do anything in Menlo Park because of the surveillance. We need to have the same opportunities that west Menlo Park has. For example, their gym is really nice, ours isn't. Same opportunity.
- 3) En mi casa vive mis hijos y yo. Apenas pudo con la renta pero lo ago para mis hijos que tengan un futuro más bello estuviera bien si aviera más escuelas como la beechwood.

**Translation:**

My children and I live in my house. I can just barely pay for rent for my kids to have a more beautiful future. I would like better schools like Beechwood.

- 4) I would like to see fairness, and the police officer more involved within community not just for pulling over, making arrests, patrolling and finding any little thing to stop someone. More dog catchers so many loss dogs and cats (especiallly) vicious dogs with no owner insite or collard on neck. (comment written by Mariela Vargas via Spanish translator)
- 5) We need a better education system! We need an affordable grocery store one where we can walk to. Belle Have needs a better education system/youth support groups.
- 6) Affordable housing! Grocery stores such as little plazas! Please. Gaby Abarcer
- 7) Me gustaria ver menos crimen en Menlo Park. Mas vigilancia mas patrulla de la policia. Mas paz. Me gustaria ver la gente mas responsable de sus perros. Como una familia que caminamos y estamos siempre meido degue un perro agresivo este sulto

**Translation:**

I would like to see less crime in Menlo Park. More surveillance, more police patrolling. More peace. I would like to see more people being responsible for their dogs. When we walk as a family we always feared aggressive dog wandering around.

- 8) I know Menlo Park holds a "give & take food truck" basically giving people free produce at the Senior Center behind Onetta Harris. I honestly think they should keep employing that. Or maybe a once a week produce drive, clothing, etc. As well as affordable housing in order to become a well know healthy worry free community.
- 9) También tiendas que uno pueda caminar, los que viven detrás de Menlo Park por favor

**Translation:**

Also stores you can walk to, those who live behind Menlo Park, please.

- 10) I really would love to see affordable housing.
- 11) In need of new transportation
- 12) Communication/networking within neighborhood through a number event. I believe all factors of this piece are definitely beneficial to the city of Menlo Park.
- 13) Emergency Access. Traffic
- 14) A center to help youth in trouble with justice.
- 15) Better services for the elderly
- 16) More community centers like Onetta Community Center
- 17) Library would be good
- 18) Elderly, grocery store which is identifiable and can fit her needs. Needs meaning: easy to understand the customer servers, and an ability to help her shop efficiently.
- 19) que quedo como este que no hoyga trafico

**Translation:**

To stay the way it is, no more traffic

- 20) quiero que kede igual; no trafico; queremos la comunido; como estar qeremos vien estar

**Translation:**

I want it stay the same; no traffic; we want the community; we would like to be.

- 21) No mas edificio se esta poniendo mucho trafico en nuestra venciad y no es bueno nosquita nuestra privacidad de nuestra viviendas mas smoke y pullution.

And a lot noise from construction drive can't sleep. Facebook to give residences from the people who live here and jobs. For the ones who qualified. And no more traffic because there is too much right now and to put signs.

Progamas para ninos gratis no cobrar.

**Translation:**

No more building; it is resulting in a lot of traffic in our neighborhood and there is not good privacy. Results in more smoke and pollution.

Free programs for the children.
