Dear Mr. Perata:

SUBJECT: Notice of Preparation (NOP) of the Environmental Impact Report
(EIR) for the Facebook Campus Expansion Project

The San Mateo County Planning and Building Department has reviewed the NOP for the Facebook Campus Expansion EIR. We would like to encourage that in the EIR, examination of potential impacts on surrounding communities includes an analysis of impacts to the unincorporated North Fair Oaks community, and particularly the potential impacts on automobile, bicycle, and pedestrian traffic and circulation, and the potential impacts on housing affordability.

Sincerely,

William Gibson
Planner, Long Range Planning Division
