

# The Family Development Certification Course

**Empowerment Skills for Family Workers** is an 18-week course designed to strengthen participants' skills and competencies needed to empower families to achieve self-reliance.

## Participants will:

- Earn up to 10 units of credit towards an A.A. or B.A. degree!
- Gain skills to help families become self-reliant!
- Network with other paraprofessionals in the field!
- Develop a professional portfolio!
