

WORKSHOP TO DISCUSS POTENTIAL GREENHOUSE GAS REDUCTION TARGETS FOR MENLO PARK

**OCTOBER 25, 2011
6:30 pm to 8 pm
Recreation Center 701 Laurel Street
Willow Conference Room**

Environmental Programs

Attend this workshop to provide input on whether Menlo Park should consider adopting a greenhouse gas reduction target and learn about possible target options.

For more information call Menlo Park's Environmental Programs at 330-6740
or email recycle@menlopark.org

A quorum of the Environmental Quality Commission and City Council may be present,
but no action or decisions will be made at the workshop.
