The City of Menlo Park is facing a \$2.9 million budget shortfall and can no longer provide all current services. We need your help to look at the budget and set priorities for years to come. How would you balance the budget?

- What services would you reduce or eliminate?
- What services would you keep or enhance?
- Would you be willing to raise taxes/fees to pay for City services?

Your Opportunities Are Coming Soon...

Early September 2005:

Fill out your survey from the City. You will get a copy in the mail. You can also pick up a copy at any City facility, or do it online. It's your opportunity to tell us your budget priorities. Final deadline for the survey is

October 3rd!

February 2006:

Community Workshops—Using the community priorities from the survey results, the next step is to figure out the strategies to achieve our goals. Be one of the 200 Menlo Park residents to sit down at the table with us!
