Request for a use permit to change the use of a tenant suite from a salon to a restaurant in an existing commercial building in the C-2 (Neighborhood Shopping) district. The subject property is substandard with regard to the minimum parking requirements for the C-2 district and requires a use permit for a change of use. Request for use permit and architectural control review for modifications to an existing Chevron gas station located in the SP-ECR/D (El Camino Real/Downtown Specific Plan) district. The project consists of enclosing existing automobile service bays to expand the existing convenience store operations.
